### AMOUNTS FIXED FOR

SCHOOL DISTRICTS OF TOWN.

Joint Meeting of Selectmen and Board  
of Town School Visitors—Amount is  
\$1,530.

There was a meeting of the board of  
selectmen of the town and the town  
board of school visitors on Wednesday  
evening, at which all but a few were present.  
The meeting was for the purpose of fixing  
the amounts to be paid to the several  
school districts for the ensuing year.  
The following amounts were voted:

Central, \$12,000; West Chelsea, \$14,  
900; Greenville, \$7,500; Westwood,  
\$4,200; Town street, \$2,975; Bridge, \$2,  
775; Park, \$2,000; West Town street,  
\$1,500; Ocean, \$2,500; Long Street,  
\$1,475; County Home, \$200; Yantic,  
\$1,100; East Great Plain, \$225; Wau-  
wens Hill, \$480; Plain Hill, \$350; Scot-  
tland Road, \$420; total, \$61,520.

There are a few changes from last  
year, there being a reduction in the  
amounts for the Greenville and West-  
wood districts. The amount for the  
opening of the Sacred Heart school,  
while the Ocean school gets a larger  
amount than was given in the joint  
district arrangement in previous years.  
All the districts were represented, or  
had been heard from, and the amounts  
are satisfactory.

### WATER BOARD MEETS

BUT DEFER SAGTION.

Special Meeting Called Because of the  
Condition of the Water Supply.

On Wednesday evening there was a  
special meeting of the board of water  
commissioners called for the purpose  
of considering the shutting off of wa-  
ter for the elevators about the city, for  
the purpose of curtailing the water  
supply as much as possible. After dis-  
cussing the matter it was decided to  
defer action until the next regular  
meeting of the board, which will come  
Sept. 30.

Supt. J. J. Corkery reported that the  
reservoir on Wednesday was 200 inches  
below high water mark. According to  
figures in the office of the board, com-  
puted from measurements of the reser-  
voir, this means "51 days' supply."  
Despite the fact that the water supply  
is low, although it has not reached the  
lowest record point, which was 255  
inches, there continues to be about the  
same amount of consumption daily.

### A Wise Son.

Sheridan, the first time he met his  
son, Tom, after the marriage of the  
latter, being seriously angry with him,  
told him he had made his will and had  
left him off with a shilling. Tom said  
he was, indeed, very sorry, and im-  
mediately added, "You don't happen  
to have the shilling about now, sir, do  
you?"—Life.
